Suelos Laminados

Forest Panels

Somos una empresa nacida hace **más de 20 años** con el **objetivo** de ser una referencia a nivel nacional en la **comercialización y distribución de parquet, tarimas y todo tipo de pavimentos y revestimientos**, especialmente **de madera** o sus derivados, **para el sector profesional** de la decoración de interiores.

Recorreremos el mundo, visitando, y a veces exponiendo, las ferias más importantes del sector. **Nunca dejamos de explorar nuevos productos o materiales**, últimas **tendencias**, innovadoras soluciones que aportar a este mercado.

En 20 años hemos aprendido mucho, hoy **estamos presentes en todo el territorio nacional y Portugal**. Contamos **con bases logísticas en Madrid y Santiago de Compostela** y con una amplia red comercial damos cobertura a nuestra extensa cartera de clientes.

Nos especializamos en todo tipo de recubrimientos ligeros de suelos y paredes tanto de interior como de exterior tales como parquet, laminados, vinilos, etc.

Nuestra filosofía se basa en **dar un servicio exquisito** a nuestros clientes y para ello disponemos de amplios stocks de todos los materiales con los que trabajamos. Todo ello con el **firme propósito de poder responder a sus necesidades de la forma más eficiente.**

Objetivos.

Nuestro objetivo es convertirnos en el líder nacional en la distribución de suelos lamiaados.

Para ello, continuaremos con nuestra **expansión** mediante **bases logísticas** y el crecimiento de nuestro **equipo comercial** así como el desarrollo de **nuevos productos y marcas en exclusiva** para esos mismos mercados.
